SA Terroir Wyntoekennings / SA Terroir Wine Awards
Agtergrond / Background

Die Terroir Wyntoekennings bekroon die beste wyne wat deur verskillende grond- en klimaatsfaktore in verskillende gebiede na vore gebring word. Slegs wyne wat gesertifiseer is as Wyn van Oorsprong (WO) van 'n Enkelwingerd, Landgoed, Wyk of Distrik (lg nie verdeel in meer as een wyk nie) mag ingeskryf word. Dit is een van die mees eksklusiewe wynkompetisies ter wêreld weens die Wyn van Oorsprong-reëls wat daarmee toegepas word.

Hierdie kompetisie wat 17 jaar gelede deur Marius Labuschagne, 'n gesoute wynjoernalis, tot stand gebring is, word onder die vaandel van die SA Nasionale Wynskouvereniging (SANWSV) aangebied wat ook verantwoordelik is vir die SA Jongwynskou en Veritas Toekennings.

Die Kaapse wynland spog met vele terreine wat topgehalte wyne van alle kultivars en style oplewer en met die WO-stelsel is dit moontlik om slegs die wyne wat waarlik spesifieke grond en klimaat verteenwoordig, te beoordeel. Dit is jaarliks insiggewend om te sien watter terrein die beste wyn van watter kultivar oplewer. Sonder die Wyn- en Spiritusraad en SA Wynbedryf-Inligting & -Stelsels (SAWIS) sou hierdie kompetisie nie kon bestaan nie en daarom is dit 'n integrale deel van SA se wynbedryf.

The Terroir Wine Awards award the finest wines highlighted by various soil and climatic factors in different areas. Only wines certified as Wine of Origin (WO) of a Single Vineyard, Estate, Ward or District (last mentioned not divided into more than one ward) may be entered. It is one of the most exclusive wine competitions in the world due to the Wine of Origin rules applied to it.

This competition, established 17 years ago by Marius Labuschagne, a well known wine journalist, will be presented under the auspices of the SA National Wine Show Association (SANWSA) who is also responsible for the SA Young Wine Show and Veritas Awards.

The Cape Winelands boasts many sites that produce top quality wines of all cultivars and styles and with the WO system it is possible to judge only wines that truly represent specific soil and climate. It is informative every year to see which terrain produces the best wine from any cultivar. Without the Wine and Spirit Board and SA Wine Industry Information & Systems (SAWIS) this competition could not exist and therefore it is an integral part of SA's wine industry.
